## GUIDE FOR LIVE AUCTION

At the Auction you'll be receiving a paddle, then, the real fun begins! In the sales room the auctioneer will announce bids. If you wish to bid on a certain item at a certain price, you must raise your paddle. Continue until you're the only remaining bidder. The auctioneer will then bring down the gavel and you'll be the proud owner of a magnificent piece of art!

We want you to have enough time and opportunity to see the excellent quality of the pieces. Please note any restrictions, limitations, sizes, etc.

To ensure that the auction concludes in a timely manner, the live Auction will begin promptly at 7:30 p.m.

When bidding please hold your paddle up high, with the Number facing the auctioneer, so that the auctioneer and the bid spotter can recognize your bid.
